CORBETT

As memorable as the Tuscan sun, this wall sconce is characterized by a slender, elongated silhouette made from eye-catching clear topaz swirl glass. A full-length LED tube illuminates each shade, creating a sense of movement as light diffuses through the twisted glass. A smooth metal band finished in Vintage Brass cinches the center, adding a moment of visual rest to balance the fixture's maximalist scale. Tuscany transitions beautifully from living spaces to bath and powder rooms.
