The jewelry-inspired strands of the Parigi family channel the unmistakable glamour of its namesake city. Designed to feel bespoke and expressive, each fixture is accented with sculptural metal baubles and a distinctive elongated linkage finished in Vintage Brass. Cloud seedy glass tubes fill with an ethereal glow as they dangle from the frame. The single-light sconce and 3-light pendant spark conversation in more intimate settings, while the 6- and 9-light chandelier create a maximal focal point above a dining table or in an entryway.
