ENKO

577-02-VB

CORBETT

A simple gesture is transformed into an architectural focal point by the Enko sconce. This rainbow-shaped wall fixture mounts vertically with two integrated lights housed within the center passage. As illumination spills from the open semi-circle, it washes the surrounding area in a bright, atmospheric glow. The Vintage Brass frame's inlaid fluting and textural markings further serve to catch and scatter the light. Part of the Noz Nozawa collection.
