About The Product

A clean, midcentury modern style that’s perfect for bedrooms, living spaces, and bathrooms, Vosh’s transitional design with sleek blades is enhanced by integrated LED uplighting and downlighting. Set the scene for any occasion with dimmable illumination that can be controlled together or separately with the included HIRO control. Thick, double-walled acrylic glass below the lower light kit adds an extra contemporary touch, complemented by versatile finishes to match any décor palette.

Finish: Metallic Matte Bronze

Width: 56.0"

Height: 16.0"
