radiant Collection

radiant® Smart Dimmer Color Change Kit, White

Part No. WNRL50CKITWH

Explore more color options with the radiant® Smart Dimmer Color Change Kit. The color change kits make it easy to change the color of a device during the installation process as needed. Color options include: Black, Dark Bronze, Graphite, Gray, Ivory, Light Almond, Nickel, White and Brown. Compatible only with associated Netatmo smart device and is not compatible with other standard devices.

Features & Benefits

The interchangeable face covers allow you to update the look of your device without switching out the actual device.

Compatible only with radiant Smart Lighting with Netatmo smart dimmer, WNRL50

More color options available to fit any style: Black, Dark Bronze, Graphite, Gray, Ivory, Light Almond, Nickel, White and Brown.

Complete the look with a sleek, screwless radiant® Wall Plate, and coordinate with other designer switches and outlets available from the radiant® Collection.
