HINKLEY

Large Post Top or Pier Mount Lantern

SKU: 2537DZ

Availability: In Stock

About The Product

A mixed metal composition and hexagonal shape ensure that Danbury is updated and on trend, even if the silhouette is unmistakably traditional. Heritage Brass accents draw the eye inside while the Aged Zinc cage and signature loop on top are reminicent of a classic lantern style. Clear glass easily makes a vintage filament bulb a focal point in the durable aluminum frame.
