HINKLEY

Medium Semi-Flush Mount

SKU: 47461DA

Availability: In Stock

About The Product

A reimagining of vintage designs from the 40s and 50s, Sura’s transitional, hexagonal Distressed Brass frame creates a glamorous yet understated and tailored appeal. Cylindrical glass rods set at alternating angles echo a soft herringbone pattern, juxtaposing geometry within geometry. Layered details create a reeded effect that is reflective and alluring.
