radiant Collection

radiant® Momentary Contact Switch

Part No. TM870STMWCC6

The radiant Registered Momentary Contact Switch is perfect anywhere you need the safety of a switch that is only on when held in the "on" position. Made exclusively for use with screwless Wall Plates from the radiant Registered Collection, sold separately.

Features & Benefits

Part of the radiant® collection.	High-impact resistant thermoplastic construction
Narrow back body leaves more room for wires in the box.	Extra-long, through-body strap eliminates floating installations and imperfect applications
Smooth, quiet paddle action	Complete the look with a sleek, screwless radiant® Wall Plate, and coordinate with other designer switches and outlets available from the radiant® Collection.

Specifications
