HINKLEY

23" Vanity Sconce

SKU: 57462DA

Availability: In Stock

About The Product

Evoking the movement of flowing water, Capri’s linear, clear glass shades are pressed to create a subtle crystalline texture, then twisted and shaped by hand. Metal backplates and rounded knobs finished in Black or Distressed Brass provide balance that anchors the organic form, resulting in a look that feels both refreshing and refined.

Finish: Distressed Brass
