adorne Collection

Discontinued - adorne® Touch™ Wi-Fi Ready Master Tru-Universal Dimmer, Magnesium

Part No. ADTH700RMTUM1

Combine Wi-Fi Lighting Control with sleek touch technology and the option to dim, for truly contemporary control. The Touch Wi-Fi Ready Master Dimmer is a programmable light switch and dimmer combination that pairs with the adorne Hub to create a smart Wi-Fi Lighting Control System in your home. (For 3-way, or multi-way applications, use one master device with additional remote devices.) Turn lights on/off, or adjust their brightness, with just the touch of a finger. And, create custom lighting settings to control lights from your smartphone or tablet via the Legrand Lighting Control app. Also compatible with Amazon Alexa and Google Home. A Tru-Universal Dimmer, it also works with virtually any 120V dimmable bulb or fixture. Made exclusively for use with screwless Wall Plates from the adorne® Collection, sold separately.

Features & Benefits

- Installs in 25 minutes or less, fitting into an existing electrical box and wiring directly to the light.
- Works with virtually any 120V dimmable bulb or fixture.
- Self-calibrates when you select your fixture's lighting type, automatically setting the appropriate minimum voltage to eliminate flicker and poor performance.
- Pair with a Touch Wi-Fi Ready Remote Dimmer for 3-way control. Simply follow the provided instructions after installing to pair with the Master Dimmer.
- Compatible with iOS and Android devices for app-based control, simply download the free Legrand Lighting Control app.
- Also compatible with Amazon Alexa and Google Home, and even integrates into advanced home automation systems.
- Part of the adorne Wi-Fi Lighting Control System, this device requires the adorne Hub to operate.
- More color options available to fit any style, including finishes to match current hardware and lighting trends.
- Complete the look with a stunning, screwless adorne® Wall Plate, not included. Available in a range of contemporary colors and finishes. Coordinate with other designer switches & outlets.
