ASSEMBLY INSTRUCTIONS

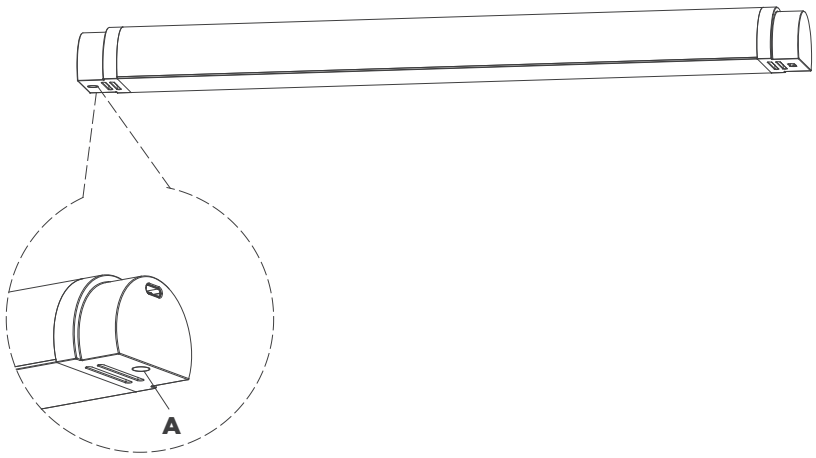

Diagram 1

16.5" 600 Lumen R45 Rechargeable Module

Item # VCC1200

NOTICE:

Inspect item carefully before attempting to install. If there is any damage or obvious defect, do not install. Item may not be returned once it has been installed.

---

1. Carefully remove all parts from the box. Place on a clean, soft surface.
2. For best results fully charge battery before use.
3. Place cordless light module into module base and test the lamp.

   Dimmer switch operation: Touch dimmer **(A)** to adjust between high, medium, low and off settings (see diagram 1).

CHARGING INSTRUCTIONS:

1. Plug charging cord (not included) into either side USB-C port or charging base. 10W minimum power source recommended.

   NOTE: Device will flash 3 times to indicate low battery.

FCC STATEMENT:

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Rechargeable Lithium-ion Battery included in cordless light. The battery cannot be replaced. Battery disposal should be in compliance with any local regulations that address the disposal of hazardous materials and the following or equivalent: “Do not incinerate.”

CARE INSTRUCTIONS: Clean only with a soft dry cloth or feather duster. Do not use abrasive or chemical agents.
