# KRAKOW

CORBETT

The futuristic design of Krakow uses minimalist forms to create a maximalist statement. Simple matte cloud glass tubes are illuminated by LED, providing bright overhead lighting without a harsh glare. Warm Vintage Brass cuffs with ribbed detailing support the shades, which tilt away from the frame to disperse light and create a striking visual impression from below. Available in two sizes, Krakow is a perfect choice for open staircases, grand foyers, or any area in need of a showstopping feature.
