TREMBLANT

595-10-PGL

CORBETT

The Tremblant family fans out across the ceiling in an organic cluster of shell-like shades. The hand-gathered Saguran weave fabric diffuses light while the layered arrangement evokes a lively sense of rhythm. The Patina Gold Leaf frame provides a muted metal base tha complements the fixture. Tremblant is available as small and large 7-light close-to-ceiling fixtures, as well as a 10-light linear.
