CORBETT

Two classic old-world lighting designs are reimagined with a modern, nature-inspired twist. In two sizes, the ring chandelier pairs a slender metal frame with branching candle clusters, lending rusticity to the classic silhouette. Available as a chandelier and semi flush mount, the half-dome design in this family is defined by a large, textural shade suspended by the same branching metalwork. Finished in a rich Vintage Gold Leaf, both fixtures create a memorable centerpiece for a room.
