About The Product

Draftsman's updated transitional form ties perfectly into any space while delivering superior performance. Matte White and Matte Black finish options enhance Draftsman's industrial-inspired design to complement indoor and outdoor spaces alike. With integrated LED and DC motor technology, Draftsman delivers excellent energy efficiency. For lower ceilings, a flush mount kit is an accessory option for easy customization. Operated by the HIRO control or WiFi-compatible with the Hinkley app.

Finish: Matte White

Width: 60.0"

Height: 17.0"
