About The Product

Add sleek functionality to your space with Iver, a modern, Scandinavian beauty. The slightly curved, tapered blades focus on simple, clean lines while the warm dim LED light provides a functional glow. Wet-rated and part of the Coastal Elements Collection, this family of fans features composite materials that are coated with an anti-fading finish for maximum durability inside or out. Iver is equipped with a 6-speed DC motor that is WiFi enabled and ready to connect right out of the box. Operated by the HIRO control or WiFi compatible with the Hinkley app. For lower ceilings, a flush mount kit is included for easy customization.
