About The Product

Part of the Regency Series, Atom’s compact modern profile complements functionality with classic finishes to perfectly accentuate smaller spaces. Its damp-rated design is suitable for both interior and covered outdoor areas. Dimmable Integrated LEDs emit warm, even light, creating a comfortable atmosphere. Operated by the HIRO control, the 3-speed AC motor can be WiFi enabled with the purchase of an additional control accessory.Atom mounts directly to its canopy or with the included downrod for dual mount capability. This will result in an overall fan height of 10" and a ceiling-to-blade height of 5 3/4”.

Finish: Matte White

Width: 30.0"

Height: 13.5"
