About The Product

Part of the Coastal Elements Collection, Valor’s modern industrial silhouette features six large composite blades to keep you comfortable year-round. Perfect for both outdoor and indoor settings, Valor’s wet-rated design is crafted with durable weather-resistant materials finished in versatile anti-fading finishes to resist rust and corrosion. Thick acrylic double-wall glass adds an extra touch of style to complement warm dim integrated LED illumination.

Finish: Metallic Matte Bronze

Width: 66.0"

Height: 14.5"
