About The Product

The HIRO Remote Stand, designed for use with any HIRO+ or HIRO Remote, provides another opportunity to customize your Hinkley fan experience. The expertly constructed design is convertible to help you find the application that’s most comfortable for you. Use the stand vertically to prop the remote upright or flip it to hold the remote horizontally for easy button access in any position. Plus, the soft molded silicone material offers a comfortable, ergonomic grip if you choose to hold the stand in your hand during operation. Includes the stand only – remote is not included.
