Surface Mount LED Downlight

# ARA COLLECTION

## Featuring a Close-to-Ceiling Design

The Ara collection utilizes edge-lit technology and an optical diffuser to fill the room with light while eliminating shadows and hot spots. With its easy push-on and pull-off installation, this collection offers a minimalistic shape and sleek, modern design. Available in downlight and flush mount sizes, the Ara collection can easily coordinate with a variety of environments, inside or out.

- Equipped with edge-lit technology for evenly dispersed light.
- Prevents hot spots and shadowing.
- Easy push-on, pull-off installation.
- Flat back design enables easy installation into most 4" junction boxes, including pancake boxes. Additionally, the 5" Ara downlight is compatible with both 3" and 4" boxes.
- Delivers up to 1650 lumens (53011WH30) with consistent dimming down to 10%.
- All-in-one, integrated LED energy-efficient means one fixture to order, track and install.
