adorne Collection

adorne® 65W USB Outlet Module, Type C, Magnesium

Part No. ARUSB65PDM4

Featuring two USB Type-C ports with industry-leading 65W of power each, this device provides the fastest USB charging for phones, tablets and laptops. Advanced Power Delivery provides intelligent charging that negotiates optimal voltage and current between the outlet and the device being charged. Easily replaces a traditional outlet in as little as ten minutes. Enjoy USB charging functionality in every room of your home with the unique adorne contemporary aesthetic. Made exclusively for use with screwless wall plates from the adorne® Collection, sold separately.

Features & Benefits

Charges the latest electronics, including small laptops like the 13-in MacBook Pro, Chromebooks, and Microsoft Surface Pro 9 thanks to industry-leading amperage and 65W of power courtesy of advanced Power Delivery

Power Delivery feature provides intelligent charging that negotiates optimal voltage and current between the outlet and the device being charged to ensure fastest charging speeds.

Integrated GaN technology delivers faster, more efficient charging with less heat generation and 22% lower energy use per watt delivered, compared to previous technology.

Proprietary indicator light displays charging status at a glance (light glows yellow while charging is in progress and green when the battery is sufficiently charged).

Legrand USB Outlets are manufactured through high-quality design, sourcing and production, and backed by a Limited Lifetime Warranty.

Fast, easy installation: fits in a standard electrical box; no custom-cut electrical boxes needed. Standard wire leads expedite installation.

Intelligent thermal sensing feature prevents overheating of either the device or charger.

UL tested to ensure protection against electrical shock, fire and other hazards.

Future proof: Dual USB-C ports eliminate the need to upgrade devices for the foreseeable future.

For complete installation, device must be paired with an adorne® screwless wall plate (not included). Available in a range of contemporary colors and stunning finishes.

Specifications

General Info

Product Line	Pass & Seymour	Color	Magnesium
UPC Number	785007461039	Country Of Origin	China
Product Type	Receptacle	Number of Receptacles	0
Features	Indicator Lights, USB-C Charging	Outlet Type	USB-Charging

Application Sector	Multi-Dwelling Unit, Residential	Wall Plate Included	No
Standard	cULus	Warranty Type	Limited Lifetime Warranty

Dimensions

Product Width US	1.77 in	Product Weight US	0.29 lb
Product Depth US	1.4 in	Product Height US	1.7 in
Product Length US	4.2 in
