adorne Collection

# adorne® Smart Scene Controller Color Change Kit, White

Part No. WNACB40CKITW1

Explore more color options with the adorne® Smart Scene Controller Color Change Kit. The color change kits make it easy to change the color of a device during the installation process as needed. Color options include: Graphite, Magnesium and White. Compatible only with associated Netatmo smart device and is not compatible with other standard devices.

## Features & Benefits

The interchangeable face covers allow you to update the look of your device without switching out the actual device.

More color options available to fit any style: Graphite, Magnesium and White.

Compatible only with adorne Smart Lighting with Netatmo smart scene controller, WNACB40, WNACB46

Complete the look with a sleek, screwless adorne® Wall Plate, and coordinate with other designer switches and outlets available from the adorne® Collection.
