radiant Collection

# radiant® Locator Light Module, Clear

Part No. RCDLM

Using an efficient and long-lasting LED bulb, this patented snap-in module adds a discreet locator light to designer switches from the radiant Registered Collection for easier finding in the dark. Made exclusively for use with screwless Wall Plates from the radiant Registered Collection, sold separately.

## Features & Benefits

| | |
|---|---|
| Module simply snaps-in for easy installation. | Uses energy-efficient LED light that remains cool to the touch, even when in use. |
| Automatically turns on when switch is off. | Complete the look with a sleek, screwless radiant® Wall Plate, and coordinate with other designer switches and outlets available from the radiant® Collection. |
