radiant Collection
radiant® 20A Wave® Switch
Part No. RSWV203

When it comes to lighting control, it's time to keep your hands...or at least their messes...to yourself. Thanks to Legrand's innovative touchless technology, this sleek switch lets you turn lights on or off with a simple wave for the germ-and-worry solution that's perfect for any home's entryway or kitchen, as well as for shared spaces like offices, hotels and more. Wave ""hello"" to cleaner, more convenient control for cleaner, more convenient spaces. Made exclusively for use with the screwless Wall Plates from the radiant Registered Collection, sold separately. Made exclusively for use with screwless Wall Plates from the radiant Registered Collection, sold separately.

Features & Benefits

- Features innovative touchless control for a convenient, germ-free way to turn on lights...all it takes is a simple wave
- Installs easily in 15 minutes or less, fitting into an existing electrical box. Usable in both single-pole and 3-way applications
- Made for use in both residential and commercial applications; features durable construction to withstand rigorous cleaning practices
- Includes a rating of up to 3/4 HP for adding touchless control to small motors
- Adjust the internal sensor to respond to movement from 1 to 6 inches from the switch face to fit your space and needs
- Complete the look with a sleek, screwless radiant® Wall Plate, and coordinate with other designer switches and outlets available from the radiant® Collection
