adorne Collection

adorne® Wireless Wake/Sleep Smart Switch with Netatmo, White

Part No. WNAL43W1

Use this battery-operated smart light switch to control the Wake/Sleep full lighting scenes with one touch. Position near a nightstand or the door of an en suite bathroom for convenient morning and nighttime control. Add to any wall, no wires or tools needed, then program it easily within the app. Smart Lighting lets you set the exact lighting you need, from anywhere, adding safety and convenience to your home. And delivering it all with unprecedented range and reliability, adorne Registered with Netatmo leverages leading Netatmo technology to provide an ideal solution for larger homes with many smart products. Start with the Smart Gateway to establish a robust and dedicated mesh network, then add smart switches, smart dimmer switches and smart outlets to build a solution that fits a home's unique space and needs. Made exclusively for use with Wall Plates from the adorne Registered Collection, sold separately.

Features & Benefits

Smart Gateway REQUIRED. For use in conjunction with wired Smart Switches, Dimmers and/or Outlets with Netatmo.

Provides one-touch control of Wake and Sleep lighting scenes. Place in a bedroom or en suite bathroom to easily turn a full group of lights on as you start your day, then off again at bedtime.

Installs easily, without wires or cutting, for ultimate flexibility. Simply mount to any wall for long-lasting, battery-powered control.

Create and manage scenes (up to 8 per system, including Home/Away and Wake/Sleep) using the Legrand Home + Control app.

Part of the adorne with Netatmo solution, which flexibly fits a home's unique needs with a variety of supported smart switches, dimmers and outlets (including other wireless switches and dimmers).

Features ultra-reliable performance through a robust and dedicated mesh-network. (Established by the Smart Gateway.)

Compatible with other smart products through Amazon Alexa, Google Assistant and Apple HomeKit, as well as with home automation systems.

More color options available to fit any style, including finishes to match current hardware and lighting trends.

Complete the look with a stunning, screwless adorne® Wall Plate, not included. Available in a range of contemporary colors and finishes. Coordinate with other designer switches & outlets.

Specifications
