radiant Collection

radiant® Smart Gateway Surface Mount with Netatmo, White

Part No. WNRH2WH

The smartest way to take control of lights and power, optimized for larger homes. Smart Lighting lets you set the exact lighting you need, from anywhere, adding safety and convenience to your home. And delivering it all with unprecedented range and reliability, radiant Registered with Netatmo leverages leading Netatmo technology to provide an ideal solution for larger homes with many smart products. Start with the Smart Gateway to establish a robust and dedicated mesh network, then add smart switches, dimmers and outlets to build a solution that perfectly fits a home's unique space and needs. Options include wireless smart switches and dimmers for easily adding 3-way control. Made exclusively for use with screwless Wall Plates from the radiant Registered Collection, sold separately.

Features & Benefits

Smart Gateway Surface Mount with Netatmo

Creates a robust, dedicated network for the radiant with Netatmo solution.

The smartest way to take control of lights and power, optimized for larger homes. Smart Lighting lets you set the lighting you need, from anywhere, adding safety and convenience to your home. Delivering it all with unprecedented range and reliability.

radiant® with Netatmo leverages leading Netatmo technology to provide an ideal solution for larger homes with many smart products.

The Smart Gateway establishes a robust and dedicated mesh network. Add smart switches, dimmers and outlets to build a solution that fits a home's unique space and needs. Options include wireless smart switches and dimmers for easily adding 3-way control.

The foundation of a radiant with Netatmo solution, the surface mount Gateway is cleverly designed to install easily beside an existing single-gang switch or outlet, no back box or network wiring required

Ensures ultra-reliable performance through a robust and dedicated mesh-network

Enables control of a home's smart lighting solutions through the Legrand Home + Control app, allowing for easy scheduling, the creation of groups, setting scenes, managing energy usage and more

Compatible with other smart products through Amazon Alexa, Google Assistant and Apple HomeKit, as well as with home automation systems

Flexibly fits a home's unique needs with a variety of supported smart switches, dimmers and outlets, including wireless switches and dimmers

Compatible with all radiant® with Netatmo and adorne® with Netatmo smart devices

Screwless Wall Plate included. Coordinate with other designer switches and outlets available from the radiant® Collection for a cohesive, sophisticated look

Complete the look with a sleek, screwless radiant® Wall Plate, and coordinate with other designer switches and outlets available from the radiant® Collection.

Specifications
